Education

Sam Houston State University — Huntsville, TX
Bachelor of Science in Computer Science (GPA: 3.5) — Aug 2022 – May 2026

Experience

Office Assistant — Jan 2023 – Jan 2025
Fine Touch Healthcare Services — Houston, TX

- Collaborated with supervisors in analyzing and maintaining company data using Excel and the Vesta database
- Delivered company documents such as payroll and transcripts
- Composed and edited documents for the company's different use cases

Projects

Seamless | *XML, XAML, C#, .NET MAUI, MySQL, GitHub* — Aug 2025 – Nov 2025

- Developed a full-stack mobile fashion application in a group made using XML, XAML, C#, and MySQL
- Utilized the .NET MAUI framework to allow for native mobile performance
- Integrated the OpenWeatherMap REST API for the app's weather recommendation feature
- Coordinated with the group during code reviews and participated in Agile workflows

Custom Language Compiler | *C++, Linux, Git, GitHub, GitHub Copilot* — Jan 2026 – Apr 2026

- Developed a custom language compiler with C++ that reads and compiles user-made programs
- Utilized Linux commands to implement compiler's I/O routines
- Created an array-based LL1 structure to drive lexical and syntax analysis
- Revised code, fixed bugs, and built test cases with the help of GitHub Copilot

World Clock | *HTML, CSS, JavaScript* — May 2026 –May 2026

- Static clock web page developed with HTML, CSS, and JavaScript
- Uses a select form to allow users to choose their desired time zone to display
- Automatically updates DOM with a relevant background based on time zone chosen
- Engaged in modular design principles to limit bugs and make code more maintainable

Technical Skills

Languages: HTML, CSS, Java, Python, C#, C++, SQL (MySQL), JavaScript, TypeScript
Frameworks: React, Node.js, .NET
DevOps and Cloud: Git, GitHub, AWS (EC2, S3, Glue, Lambda)
Developer Tools: VS Code, Visual Studio, GitHub Copilot, Claude Code, Cursor
